

# X-Fold Mini

**Small but mighty!** The all new X Fold Mini encompasses all that we love about the X-Fold, but in a slightly smaller package.

Max User Weight: 136kg    Product Weight: 5.9kg

GM-TMA-KR51N

## Key Features:

### Key Features

The X Fold Mini comes with a range of convenient, excellent features such as the removable bag, cane holder, soft backrest, and breathable mesh seat. The lightweight frame folds down easily to fit anywhere from a car boot to a cupboard.

### Wheels & Handles

The rollator features solid rubber compound front and 8" wheels and ergonomic height adjustable rubber handles.

### Fully Foldable

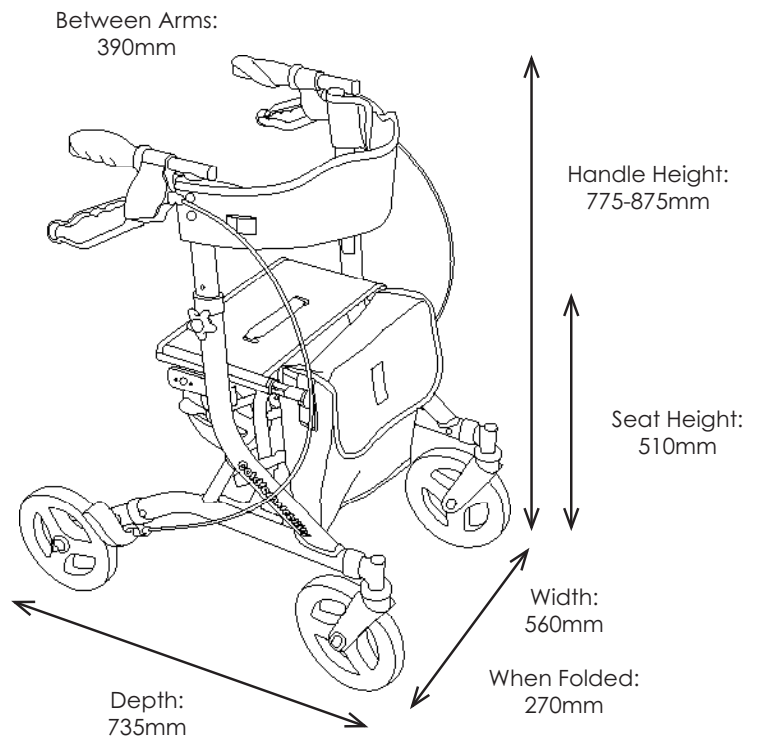

The centre strap can be pulled up to allow the rollator to fold for easy storage and transportation.

### ISO Tested & Approved

The Goldfern Mobility X Fold Mini Rollator is tested and approved to ISO 11199-2:2021.\*
